

BOIL WATER NOTICE

August 3, 2017

YARD CREEK CAMPGROUND WATER SYSTEM

BOIL WATER NOTICE **EFFECTIVE IMMEDIATELY**

Water samples taken from the Yard Creek Campground Water System have indicated an unacceptable level of bacteria. Interior Health requires a BOIL WATER ADVISORY be issued for users of the water system.

UNTIL FURTHER NOTICE **ALL WATER USERS ARE WARNED TO:**

- Boil the water at a rapid boil for at least one minute
OR
- Add two (2) drops of fresh household bleach per litre of water (approximately nine (9) drops per gallon to a clean covered container and let stand in the refrigerator for at least 20 minutes before use
OR
- Use an approved alternate source of potable water (i.e.: bottled water)

These directions apply to all water used for drinking, food preparation (including ice and produce) and dental hygiene.
Use a hand sanitizer after washing hands.
