4. BUSINESS GENERAL (cont'd) **4.6** **Late agenda Item 4.6 = Item 8.1 in early agenda (hence 8.1 below).** **8.1** **Bylaw Enforcement Policy A-69**

- Report from G. Christie, Manager, Development Services, dated October 25, 2016.
- Due to a significant increase in bylaw enforcement complaints of all types, and additional bylaws being adopted by the Board, which require enforcement (e.g. Official Community Plans and Zoning Bylaws), a review was undertaken of the CSRD's existing Bylaw Enforcement Policy and Bylaw Enforcement Procedure. Both the policy and the procedure required significant changes to more effectively focus limited staff resources and budget towards priority areas of concern, namely serious complaints primarily related to health, safety, and the environment. For clarity and to avoid duplication, Bylaw Enforcement Policy A-69 details the roles and responsibilities of staff and contains all necessary procedures for setting priorities and processing complaints. It is expected that these changes will result in:
 - o greater staff efficiency by establishing priorities to better deal with serious complaints;
 - o reduction in frivolous complaints;
 - o providing the public with clearer expectations of the bylaw enforcement and complaints process; and,
 - o redirection of complaints which do not fall within the responsibility or authority of the CSRD.
