## **GRANT RECEIVED FOR SCOTCH CREEK WATER PLAN UPDATE**

The Columbia Shuswap Regional District (CSR D) is receiving \$10,000 from the Ministry of Municipal Affairs and Housing towards the update of the Scotch Creek Water Plan.

The grant funds will support a feasibility study conducted for the plan.

At the September board meeting, CSR D directors were pleased by the news of the funding support.

In a letter approving the grant, Selina Robinson, Minister of Municipal Affairs and Housing says, "The Province welcomes the opportunity to support planning in the Columbia Shuswap Regional District. We believe that early and ongoing planning is the best way to ensure that the environmental, social and economic needs of your community will continue to be met in the years ahead."
